### **Safety on board**

The Myklebust ship will be manned by a base of trained rowers from the coastal teams from the Nordfjord area. Rowers with little experience with rowing will be strategically placed to secure the flow of the trip. Sagastad will supply life jackets and there will be two mob boats following the ship.

### **Clothing**

The rowers must wear clothes and shoes in natural colours. Sagastad will give closer instructions in due time.

### **The journey**

The journey will take place locally on the Eidsfjord and will be filmed by NRK. Pictures will be taken of the ship by the sea walk which will be used in marketing of Nordfjordeid as a destination.

### **Consent**

The giver agrees to let Sagastad use pictures and other material collected during the rowing trip to be used in marketing and information material.
