NORDFJORDEID

The Viking Destination

Top Experiences in Nordfjordeid

www.portofnordfjordeid.no

Nestled peacefully at the end of one of Norway's most beautiful fjords, Nordfjordeid is a picturesque, hidden gem. Wander the old centre of town to find white-painted buildings brimming with cafés, restaurants, bakeries and shops, or discover unique architecture at the modern opera house or the 19th century Eid Church – home to spectacular carvings and intricate paintings.

At the Sagastad Viking centre you can interact with fascinating exhibits and step aboard the Myklebust, an authentic 100-foot-long ship based on the remains of one of the largest Viking ships ever unearthed. Visiting in the summer? Why not relax in the lush Saga Park which has its own beach by the fjord.
